Politecnico di Torino – HCI Course (02JSKOV)

Assignment 1 – Needfinding

Study Title: Learning to Draw as a Beginner

Researchers:

Zuhal Didem Aytac

Mehmed Yusa Erguven

Ozgun Kocak

Mohammedreza Babaei

Purpose:

We are conducting interviews to understand how people approach learning to draw. The data will be used for an academic project in the Human-Computer Interaction course.

Participation:

Your participation is voluntary. You may skip any question or stop the interview at any time.

Recording & Materials:

With your consent, we will audio-record this interview and may take photographs of your tools or workspace. The recording and images will be used only for educational purposes within this course.

Confidentiality:

Your identity will remain anonymous in all reports and presentations. We will refer to you only by a participant code (e.g., "P1, art teacher").

Consent:

☒ I agree to participate in this interview.

☒ I agree to be audio-recorded.

☒ I agree to be photographed (optional).

Participant name: Giuseppe Morano
