step 3/3

Finally, add a bottomless triangle or an upside down V-letter on top of it.

You are done, hope you enjoyed it!

Your first drawing lacked perspective. But in 2nd and 3rd drawings, you improved your technique significantly.

In your final drawing, the lines have improved.

Keep going!!

Step 2/3

Now, draw an upside down half triangle, or a wide v-letter on top of the U.

You are halfway there!
